To whom it may concern:

Reference for Nick Wagner. Passport Number – 402703032

Nick was employed on the 1st June 2014 and joined the yacht towards the final stages of the build in the capacity of Sous Chef/ Relief Head Chef. Nick was tasked with assisting the Captain to recruit the entire team as the Head Chef had not yet arrived on board.

During the final months of the build he assisted the incoming Head Chef to set up and equip both galleys on board and implementing working systems and stock controls. Ocean Victory cruises with 52 permanent crew and up to 28 guests.

Nick is a good leader and after his promotion to Head Chef in May 2015 he and his team continued to uphold the standards that the owner and guests expected while maintaining high standards with varied crew menus and working within a tight budget.

Nick is a competent and creative chef with a wide range of food knowledge he has much passion for his craft.

I wish him every success in his future endeavours and would happily work with him again should the opportunity arise and please do not hesitate to contact me should you wish a verbal reference.

Yours faithfully,

Captain R.H.M. David
