C/O MVVWM Ltd  
PO Box 957

BRITISH VIRGIN ISLANDS

Ref :

This letter is to confirm that Nick Wagner was employed in a temporary sous chef position on MY Pelorus from 4<sup>th</sup> of February 2016 until 24<sup>th</sup> March 2016.

Nick proved himself quickly, to be a valuable part of our galley team. He showed great leadership skill and great enthusiasm. Nick was willing to jump into any area of the operation, he had a 'roll your sleeves up can do attitude'.

It was a pleasure for me and for my team to work with someone who displayed such professionalism and was so willing to share his extensive knowledge of our craft. Nick has a great eye for detail and is experienced in all aspects of the cooking craft, from bread and right through to pastry.

Nick has chosen to move into the charter section of yachting, and as such I was unable to keep him in employment here with us. Should Nick in the future feel he wants to return to MY Pelorus he is welcome to do so at any time.
