Courchevel, 2 April 2014

To whom it may concern,

Reference Mr Nick WAGNER

I, the undersigned, Suzanne Bothwell, Director of the company Courchevel Prestige Chalets, confirm that Mr Nick WAGNER worked with us in the position of assistant head Chef for the winter season 2013/2014 starting in November 2013 until the end of the season in April 2014.

Nick worked in all three of our properties in Courchevel, including our professional kitchen and three satellite kitchens, along with the team of five. He assisted the head Chef with the training of the team, the daily menus, the ordering, stock control, invoicing and budgeting. During the head chefs absence Nick took charge of the kitchen and the team completely working extremely conscientiously.

Working closely with Nick in our three five star Chalets – chalet Edelweiss, chalet Razzie and chalet Les Gentianes, he consistently worked at an extremely high standard and demonstrated his vast knowledge, dedication and skills again and again. Nick takes great pride in his work and adapts his menus to meet the client's specific requests and needs. Nick also takes the extra time to experiment with different menus, which have been extremely successful.

Not only was Nick extremely valued by the management of the company, he was very popular with our guests, with demanding dietary requirements, who all found his standard of work to be excellent.

Guests and other staff members have witnessed his dedication, discipline and motivation that has made him a very important and popular part of the team and an exceptional assistant head chef.

For these reasons I would not hesitate to support his candidacy for any similar position, or indeed, any position he feels able to perform.

I am happy to discuss this further either by telephone or by email.
